

Background

Welcome to the Tea with Mike community

On the Tea with Mike show, Mike encourages his guests, who have included creative artists, podcasters, and entrepreneurs from around the globe, to share their stories whilst drinking a good cup of tea!

Tea with Mike was founded by Michael Johnson in January 2019. Mike believes that whilst technology and the internet have changed the way we live our lives, they can be utilized to build real relationships and genuine connections. Tea with Mike was created to remind us that there is still time in our daily lives for creating conversation, meeting new people, and building relationships. And what better way to do this than over a good cup of tea?

About the Host

Michael Johnson studied at Red Deer College, Alberta and holds a diploma in Media and Professional Communications and a diploma in Theatre & Entertainment Production.

He is passionate about tea, theatre, storytelling, and communication. His goals are to build Tea with Mike into a global brand by building relationships, collaborating, raising awareness for storytelling through each guest story all while drinking a good cup of tea. It's simple really...

One of Michael's favourite quotes is:

“ We are all storytellers. We all live in a network of stories. There isn't a stronger connection between people than storytelling.”

(Jimmy Neil Smith, Director of the International Storytelling Center)
